January 13, 2009

Falcon Band Parents,

This handout will serve as your first information sheet for our 2009 Spring Band Trip. The Falcon Bands will travel to Orlando, Florida on June 7th-12th. Please take time to review all information attached to this memo. I feel this trip will be an outstanding activity for our students, and I express my sincere appreciation for all that you have done to help make it possible for your student to travel with the band. Please note the following important information regarding cost and payments:

- **\$405.95*** per person sext hotel occupancy
 - **\$421.95*** per person quint hotel occupancy
 - **\$445.95*** per person quad hotel occupancy
- *Transportation not included*

The students have the option to stay up to (6) per room. The number of students in the room will determine the final cost of the trip for your child. The booster club has the intention of covering the transportation costs of the trip. They have been working very hard to help cover these costs to make the trip less expensive per child. A full payment schedule is below. It is very important that this schedule is strictly followed to ensure that we can make these payments on time to the tour company.

- **\$100.00** per person on or before **Friday, January 30, 2009.**
- **\$100.00** per person on or before **Friday, February 27, 2009.**
- **\$150.00** per person on or before **Friday, March, 27, 2009**
- Full balance on or before **Friday, May 1, 2009.**

Your child has been made aware of how much money they have fundraised up until this point. There is a copy posted in the music building of every student's fundraising totals. If your child does not have enough in their fundraising account, personal funds can be paid to meet the payment deadlines. If you have any questions, please feel free to email or call.
